**NARRATIVE:**

David Metcalf has an extensive adult criminal history that began at the age of 19. His convictions include robbery with the use of a weapon, vehicle theft, theft, multiple burglary charges, multiple drug charges, failure to appear, identity and credit fraud, grand theft auto, petty theft with prior convictions, battery and failing to report. He has served multiple incarcerations, the longest being a 5 year term for robbery with the use of a weapon. Metcalf was released from state prison to the supervision of the Los Angeles County Probation Department on March 14, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in October 2014 after he absconded from post release community supervision (PRCS). Metcalf qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for petty theft with prior convictions is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
